2 Membership Application (for Public)

What the public sees and how the process works end-to-end

When a member of the public wants to join GSAW, they go to www.gsaw.org.za/membership and fill in the application form. Understanding this process helps you explain it to potential members.

What the Applicant Fills In

- Personal details: Full name, ID number, date of birth, gender
- Contact details: Email address, phone number
- Address: Street, city, province, postal code
- Political details: Municipality, ward number, voting station name
- Background: Occupation, qualifications, skills, reason for joining
- Digital signature: Drawn on screen to accept the POPIA consent

What Happens After Submission

- 1 The application is saved to the GSAW database with a **pending** status
- 2 A unique **Membership Reference Number** is generated (e.g., GSAW-2026-00001)
- 3 The applicant receives an **automatic confirmation email** from info@gsaw.org.za
- 4 The NEC admin receives a **notification email** at admin@gsaw.org.za
- 5 The NEC reviews the application in the **Admin Portal** and either approves or rejects it
- 6 Once approved, the applicant can check their status at gsaw.org.za/status
- 7 The NEC sends a WhatsApp welcome message with their membership number and the Members Group link

 **TIP:** Direct potential members to www.gsaw.org.za/membership or share the link via WhatsApp. The form works on mobile.

Application Status Check

How members track their application progress

Once a member has submitted their application, they can check its status at any time — without logging in — by going to www.gsaw.org.za/status.

|

How to Check Status

- 1
- Go to

www.gsaw.org.za/status
- 2
- Enter either your ID Number or your Email Address that you used when applying
- 3
- Click Check Status
- 4
- Your application details and current status will be displayed:

Pending

— Application received, under review

Approved

— You are an official GSAW member

Not Found

— ID/email not in the system
- |

 **INFO:** Share this page with applicants after they submit. It prevents them calling in to ask about their status.

4 Donations — EFT Process

How the donation form works and what donors need to do

Donations are made at www.gsaw.org.za/donate. Currently only EFT (bank transfer) is accepted. Online payment gateways (Yoco, SnapScan, Ozow) will be available in a future update.

| Donor Process — Step by Step

- 1 Donor goes to www.gsaw.org.za/donate
- 2 Chooses donor type: **Individual** or **Organisation**
- 3 Fills in their name, contact details, donation amount and purpose
- 4 Selects **Bank Transfer (EFT)** as the payment method
- 5 The GSAW bank details are displayed on screen
- 6 Donor does the EFT from their bank and uploads their **Proof of Payment** (PDF or image)
- 7 Clicks **Submit Donation**
- 8 A confirmation email is sent to the donor automatically
- 9 The NEC admin verifies the donation in the Admin Portal once payment reflects

| Bank Details (Shown on Donate Page)

i INFO: The GSAW bank account details are shown directly on the donation page. The reference for payment should be the donor's full name. Contact the NEC treasurer for the official bank account number.

5 Volunteer Registration

How people sign up to help GSAW

Anyone who wants to volunteer for GSAW (whether or not they are a member) can register at www.gsaw.org.za/volunteer.

| What Volunteers Fill In

- First name and last name
- Email address and phone number
- Province they are in
- Areas they can help with (multiple selection):
Campaigns, Community Outreach, Media & Communications, Admin & Office Support, Events, Youth Programmes, Legal, Finance
- Availability: Weekdays / Weekends / Evenings / Flexible
- Optional message — anything they want the NEC to know

| After Submission

- 1 The volunteer record is saved to the database
- 2 The volunteer receives a confirmation email from info@gsaw.org.za
- 3 The NEC admin receives a notification email at admin@gsaw.org.za
- 4 The volunteer is visible in the Admin Portal under **Volunteers**
- 5 The NEC contacts the volunteer via phone/WhatsApp to assign them tasks

 **TIP:** Encourage all members and supporters to also register as volunteers — even if they can only help on weekends or online.

6 Contact Us Form

How the public reaches GSAW through the website

Members of the public can send a message to GSAW at www.gsaw.org.za/contact.

| Contact Form Fields

- Full name
- Email address
- Subject
- Message

| What Happens When Someone Contacts GSAW

- 1 The message is saved to the database
- 2 The sender receives an auto-reply email confirming their message was received
- 3 The NEC admin sees the message in the Admin Portal under **Messages**
- 4 Admin clicks **Reply via Email** in the portal — a pre-drafted professional reply opens in the email client
- 5 Admin personalises and sends the reply from `info@gsaw.org.za`

 **NOTE:** Aim to reply to all contact messages within 1 business day. Unanswered messages reflect poorly on the party.

7 GSAW Email Accounts Overview

The two official GSAW email addresses and what they are used for

Email Address	Used For	Who Uses It
admin@gsaw.org.za	Admin portal login; receives notifications of new applications, donations and volunteer sign-ups from the website	NEC Secretary General / Admin staff
info@gsaw.org.za	Public-facing inbox; sends confirmation emails to members/donors/volunteers; reply-to for contact messages	NEC staff responding to public enquiries

 **INFO:** Both email accounts use the **gsaw.org.za** domain managed through **Resend**. To receive and read incoming emails, these accounts must be set up on your device using the mail server settings provided by your email hosting provider.

 **NOTE:** Contact your system administrator or email hosting provider to get the **incoming mail server (IMAP)** settings and **password** for each account before following the steps below.

8 Setting Up Email on iPhone (iOS)

How to add a GSAW email account to the built-in Mail app

You Will Need (Get From Your Email Host)

- 7 Tap **Done**

 **TIP:** The Gmail app works on all Android phones (Samsung, Huawei, etc.) and is easier to set up than manufacturer email apps. It is the recommended option.

10 Setting Up Email on Windows PC (Outlook)

How to add a GSAW email to Microsoft Outlook on a desktop or laptop

Using Microsoft Outlook (Office 365 / Outlook 2019/2021)

- 1 Open **Microsoft Outlook**
- 2 Click **File** in the top menu → click **Add Account**
- 3 Enter your GSAW email: `info@gsaw.org.za` → click **Connect**
- 4 If Outlook cannot auto-detect settings, select **IMAP** manually
- 5 Fill in the **Incoming mail settings** :
 - Server: your IMAP server (from host)
 - Port: 993 Encryption: SSL/TLS
- 6 Fill in the **Outgoing mail settings** :
 - Server: your SMTP server (from host)
 - Port: 587 Encryption: STARTTLS
- 7 Click **Next** → enter your password → click **Connect**
- 8 Click **Done** — your GSAW email will now appear in Outlook's left panel

Using Windows Mail (Built-in App)

- 1 Open the **Mail** app (Windows 10/11)
- 2 Click the  **Settings** cog → click **Manage Accounts**
- 3 Click **Add account**
- 4 Select **Other account (POP, IMAP)**
- 5 Enter your GSAW email, display name, and password
- 6 Click **Sign in** — if it fails, click **Advanced setup** and enter IMAP/SMTP details manually

 **NOTE:** If Outlook asks to verify your identity or shows a security warning about the server certificate, contact your email hosting provider for the correct SSL settings.

Testing the Account

- 1 Once set up, send a test email from `info@gsaw.org.za` to your personal email

- 2 Check that the email arrives and the sender shows as `info@gsaw.org.za`
- 3 Reply from your personal email `info@gsaw.org.za` and confirm it arrives in the GSAW inbox to
